REQUEST FOR CORRECTED LIST OF REFERENCES CITED

In an Information Disclosure Statement (IDS) filed in this application on March 17, 2006, applicant submitted, among other things, copies of the following items:

1. USPTO Order Granting/Denying Request for Inter Partes Reexamination No. 95/000,114 (January 23, 2006).
2. USPTO Office Action in Inter Partes Reexamination No. 95/000,114 (January 23, 2006).

For ease of reference, a copy of the first page of each of the foregoing items (as obtained from the USPTO's PAIR system) is enclosed.

The form 1449 enclosed with the IDS mistakenly listed the reexamination number as 95/000,014 (rather than 95/000,114). The mistake was inadvertent and arose without any deceptive intent. Unfortunately, the Examiner also did not notice the error on the form 1449.

In order to provide a clear record for the file history, applicant requests that the Examiner initial a form 1449 (or a Notice of References Cited) with the corrected information for the foregoing items and return a copy to the undersigned attorney. For the Examiner's convenience, enclosed is a marked-up copy of page 2 of the form 1449 that the Examiner previously initialed, as well as a new form 1449 with the correct information listed for the two items listed above
